EXPERIENCE

HARVARD T.H. CHAN SCHOOL OF PUBLIC HEALTH

Cambridge, MA

Research Assistant

May 2019 – Present

- Awarded \$3,200 Fellowship from the Harvard University Center for the Environment
- Analyzed dataset with over 7,000,000 observations to provide insight into faulty sensor devices
- Assisted with 2 experiments funded by a \$300,000 grant from WeWork to explore the link between creativity and temperature
- Wrote a 2,000 word newsletter for a rebranding campaign for the Occupational Hygiene track at Chan School of Public Health

STATE FARM

Atlanta, GA

Information Technology Intern

June 2017 – August 2017

- Used JAVA/HTML to build client retention management service for State Farm agents, helping them discover new leads and maintain current ones
- Participated in AGILE software development framework, learning from the project manager how to plan, organize, and lead a software team to accomplish iterative self-reflected products

SPIRIT APP, LLC

Atlanta, GA

Sales and Marketing Intern

June 2016 – August 2016

- Used Salesforce to identify and pursue over twenty public high schools in Georgia for potential business
- Helped to close \$5,000 subscription of Spirit app services at Lambert High School, earning a \$250 commission
- Helped to transition Lambert High School on Spirit app service, liaising between developers and school administration for technical fixes and organizational efforts

LEADERSHIP & ACTIVITIES

HARVARD UNIVERSITY SUSTAINABILITY RESOURCE EFFICIENCY PROGRAM

Cambridge, MA

Leverett House Representative

December 2018 – Present

- 1 of 16 Sustainability Representatives that work within the Harvard University Office for Sustainability
- Acts as liaison between the Office of Sustainability and the residential dorm Leverett House (which comprises over 600 students)
- Hosts sustainability campaigns every 2 weeks and builds educational materials, encompassing topics such as water use, plastic recycling, and food waste
- Develops independent research project that will implement a nudge-based experiment to reduce food waste in the Leverett House dining hall

THE KUUMBA SINGERS OF HARVARD COLLEGE

Cambridge, MA

Member & Performer

August 2018 – Present

- Performs in concerts (and attends weekly rehearsals) celebrating black art, spirituality and expression
